The seats on the stand were occuoth the Kentucky Senators occupied promient places. At twelve o'clock the cerem ere opened with prayer by Bishop Penick. f St. Andrew's church, of Louisville. Then Governor Knott came forward, amid such applause, to speak his valedictory. He pressed his gratitude to the large assembly ad to his distinguished successor. He reviewed General Buckner's fame and commend-

ed him to the State. He recited the difficulties of the office that General Buckner was about to accept, and asked the public to give his acts > fair and impartial co-sideration. He then referred to the sadness he felt at the amented absence of his great-hearted and no down and took the razor from him, and de predecessor, Governor Blackburn, who is ing at the point of death. He said that alefnors to review their terms of service, he had nothing to say on the subject. He had simply and found that the maniac had run his endeavored the Administration had discharged their muzzle of a rifle to his forehead and shoet musclf that not one of them had ever brought the riot, and the greatest excitement shame to the escutcheon of the State. He then

"When I review the long line of distinguished tizens who have filled with signal ability the once that I enter upon the discharge of the is about the most celebrated of the the ie of Kentucky. Grateful for the confidence ney have reposed in me, and actuated by a sible, the generous expectations of the citizens copie. The duties of the office would be arduthey are doubly so under the complicated system under which we live.

Kentucky, the first-born of the Constitution as ever been foremost in advocating the rights of the people in the National Councils, and the The purchasers then finished them, and and greatness of the United States. Her past history is a pledge of her future devotion both o the cause of the people and to the Government they have established for themselves.

In the difficult and various duties which de volve upon me to perform, I will endeavor to give mature consideration to every case as it may arise, and act, to the best of my judgment, presented at the next session of Congress | in the interests of the people, ever bearing in ernment-that office is a public trust to be excreised in the interest of society in accordance with established laws, and that the chief duty of the Executive is to "take care that the laws be faithfully executed."

It will also be a most agreeable duty to co operate with other departments of the Government and with the people in promoting the developement of the wealth of the State and in xtending and diversifying its industries. I desire to return to the citizens of Frankfor my sincere thanks for the kind welcome they have given me to-day, and to assure them that I cope to convince them during my residence among them of my appreciation of the kindly greeting they have extended to me. I am prepared, Mr. Chief Justice Pryor, as a preliminary to entering upon the discharge of the duties of Sovernor of the Commonwealth of Kentucky, to take the eath of office prescribed by the consti-

After the address Chief Justice W. T. Pryor stepped forward with the General Statutes in hand and administered the oath of office to Governor Buckner. A series of complimentary resolutions from the citizens of Frankfort were then presented

to the retiring Governor with a neat little speech from Judge Alvin Duvall. After more music, a benediction was pro-Church, and the large concourse of people dis-The inauguration wound up with a grand ball to-night at the Capitol Hotel. Many of the handsomest women in Kentucky were present,
